This comprehensive book provides a thorough examination of the Islamic perspective on swearing by other than Allaah and prayer towards the graves. It explores the Quranic verses and ahadith (sayings of the Prophet Muhammad) that address these issues, offering clear guidance and evidence-based reasoning. The book delves into the historical context and cultural practices that have influenced these beliefs and practices, providing a nuanced understanding of the topic.

The book begins by defining swearing and its significance in Islam. It then examines the Quranic verses that prohibit swearing by other than Allaah and explains the reasons behind this prohibition. The author provides a detailed analysis of the relevant hadiths and shows how they support the Quranic injunction.

The book also discusses the historical context of swearing by other than Allaah and how this practice has been influenced by pre-Islamic beliefs and customs. The author also examines the cultural factors that have contributed to the prevalence of this practice in some Muslim communities.

In addition to the discussion of swearing by other than Allaah, the book also examines the issue of prayer towards the graves. The author explores the Quranic verses and hadiths that address this topic and shows how they prohibit praying towards the graves. The author also provides a detailed analysis of the historical context and cultural practices that have influenced this belief and practice.

This book is a valuable resource for anyone who is seeking a comprehensive understanding of the Islamic perspective on swearing by other than Allaah and prayer towards the graves. It is a well-researched and well-written book that provides clear guidance and evidence-based reasoning on these important issues.
