A Delightful Read for Little Ones

Karen Katz's *Counting Kisses* is a charming and heartwarming picture book that introduces young children to the concept of counting while also celebrating the love and bond between family members. With its engaging text and adorable illustrations, this book is sure to become a favorite for bedtime stories and early learning.

The story follows a young child as they count the kisses they receive from their loved ones throughout the day. From a gentle kiss on the cheek from their mother to a playful kiss on the nose from their father, each kiss is a reminder of the love and affection that surrounds them. As the child counts the kisses, they learn about the different ways people show their love and the importance of cherishing those special moments.

Charming Illustrations and Simple Text

The illustrations in *Counting Kisses* are simply delightful. Katz's whimsical style brings the story to life with vibrant colors and adorable characters. The images are full of warmth and emotion, perfectly capturing the love and joy that is shared between the child and their family.

The text is equally engaging. Katz uses simple and repetitive language that is easy for young children to understand. The repetitive structure of the story also helps to reinforce the concept of counting and makes it easy for little ones to follow along.

Educational and Heartwarming

Counting Kisses is not only a delightful read but also an educational one. The story teaches young children about counting, numbers, and the different ways people show their love. It also promotes positive family

values and encourages children to appreciate the love and support they receive from their loved ones.

Whether you are looking for a heartwarming story to share with your little one at bedtime or a fun and educational book to help them learn about counting, Counting Kisses is a perfect choice. Its charming illustrations, simple text, and positive message will make it a favorite for years to come.

About the Author
