When the Durbans heard that the 2014 Winter Olympics would be held in Sochi, Russia, they knew that they had to do everything they could to help their children achieve their dreams of competing in the Games. The family sold their home and moved to Park City, Utah, a town with a world-renowned ski resort. They also hired top coaches and trainers to help their children prepare for the Olympics.

The Durbans' journey to the Olympics was not without its challenges. Emily suffered a serious injury that nearly ended her skiing career. Sam was cut from the US hockey team just months before the Olympics. And Ben struggled to find the confidence he needed to compete at the highest level.

But through it all, the Durbans never gave up on their dreams. They supported each other through the tough times, and they celebrated each other's successes. And in the end, their hard work and dedication paid off.

At the 2014 Winter Olympics, Emily won a bronze medal in the women's downhill skiing event. Sam helped the US hockey team win a silver medal. And Ben finished in the top ten in the men's figure skating event.

The Durbans' story is an inspiration to all who dream big and never give up. It shows that anything is possible if you have the courage to pursue your dreams, and the love and support of your family.

In Family Journey to Olympic Gold, the Durbans share their inspiring story with the world. They offer insights into the challenges they faced, the sacrifices they made, and the triumphs they celebrated. Their story is a reminder that the Olympic dream is not just about winning medals. It is about the journey itself, and the lessons that we learn along the way.

If you are looking for an inspiring story that will motivate you to never give up on your dreams, then Family Journey to Olympic Gold is the book for you.
