Print length	: 95 pages

The book begins by introducing the concept of God. It then goes on to discuss the evidence for God's existence, including the evidence from the universe, the evidence from life, and the evidence from human consciousness.

The book concludes by discussing the implications of God's existence. It argues that God's existence has implications for our understanding of the world, our understanding of ourselves, and our understanding of our purpose in life.

The Case for a Creator for Kids is a valuable resource for parents and educators who want to teach their children about the evidence for God. It is also a great book for children who are interested in learning more about God.

## **What's Inside?**

The Case for a Creator for Kids is divided into three parts:

1. **Part 1: Who is God?** This part introduces the concept of God and discusses the different ways that people have thought about God throughout history.
2. **Part 2: The Evidence for God** This part presents the evidence for God's existence. It discusses the evidence from the universe, the evidence from life, and the evidence from human consciousness.
3. **Part 3: What Does It Mean to Believe in God?** This part discusses the implications of God's existence. It argues that God's existence has implications for our understanding of the world, our understanding of ourselves, and our understanding of our purpose in life.
